EQUIPMENT LIST · PACKRAFTING EXPEDITION · LATE SUMMER

Packrafting in Stabbursdalen National Park

9 days · Alta to Stabbursnes down the Stabbursdalen river: one night in Alta, six in tents along the river, one in a cabin by the fjord. Packraft, paddle and life vest included.

Please note that this is the minimum required clothing and equipment for this holiday. You are of course welcome to bring other clothes and equipment in addition to this — remember it needs to be lightweight, and you will carry it.

You should pack your clothing in waterproof bags to avoid equipment becoming wet during the tour.
