Visit the Summer Sled Dog Camp on the Island

Summer · 3 hours + transport, or overnight · A boat trip from the road to the dogs' island, 20 minutes from Karasjok. Boat, drinks on the campfire and — overnight — full board included.

The island is a place to sit, walk and get wet with thirty happy dogs: dress for a day outdoors by the water, with a shell against wind and rain and shoes that can take a lick and a paw. For the overnight visit, add what you need to sleep and to fish. Dress according to the weather of the day.
