Wilderness Hike with Pack Dogs

Summer · 1.5–2 or 3–4 hours · An off-track hike from the lodge with the huskies carrying the packs. Dogs, packs and — on the long version — drinks, campfire and fishing gear included.

A summer day on the plateau can be hot, wet, windy and cold within a few hours, and the ground is wet in places. Dress in layers you can take off and put on, with a wind- and waterproof shell on top, and wear boots that can take a bog. Dress according to the weather of the day — your guide tells you what to expect before we leave.
